The acclaimed mockumentary provoked discomfort across the political spectrum and shocked guffaws from its audience, raking in a cool \$262 million at the worldwide box office. It even won Sacha Baron Cohen a Golden Globe for Best Actor as the affable but socially and culturally incendiary Kazakhstani 'journalist' Borat 2 Cheat SheetRelease date: Friday, October 23 2020Director: Jason WolinerCast: Sacha Baron Cohen, Irina Nowak, Mike Pence, Rudy GiulianiRun time: 1hr 35 minsRating: RWatch now: Amazon Prime Video - FREE TRIAL (opens in new tab)Fast forward to the absolute monstrosity known simply as 2020 and he's back in 'Yankee land' for Borat's Subsequent Moviefilm, attempting to deliver a 'prodigious bribe to American Regime' - that bribe appearing to be his daughter. But, being made famous by the first Borat film, he's having to achieve his special mission incognito. Cue Borat crashing a conference disguised as Donald Trump, hollering "I brought the girl for you" at Mike Pence, crashing an interview with ex-NYC mayor and fervent Trump support Rudy Giuliani, and some indecent exposure at an 18th century style dance.Even more hilariously near the knuckle, we'll see Borat trying - and failing - to navigate America in the middle of the nation's coronavirus lockdown. Production resumed quickly and discreetly after restrictions eased, so we're treated to scenes of Borat in quarantine with two strangers for good measure. "What's more dangerous, the virus or the Democrats?" he asks. "The Democrats" they concur, without even the faintest whiff of irony.Yessirree Bob, a revival of Baron Cohen's brand of provocation couldn't arrive at a more...interesting time, with just days left now before the 2020 US presidential election and with the world still reeling from Covid-19.
