[9] Season Two issued on Sundays at 11:30 pm ET/PT, from July to October 2015, and included ten episodes. [10] In an interview with The Hollywood Reporter, Roiland said that Rick and Morty will remain "a great priority over anything else" for him in the future, and expressed his intention to maintain the growth in growth. In 2006, Roiland was fired from working on a series of television that he considered creatively suffocating intensely, and channeled his creative energy to create a webisode for channel 101. The result was the true animated adventures of Doc and Mharti, a parody of the short short protagonist Doc Brown and Marty McFly, Back to the Future Film Trilogy characters. [25] In the short, which Harmon folded "a bastard, a porn -grooming vandalization", Doc Smith urges Mharti that the solution to all of her problems is to give her oral sex. [26] The audience reacted greatly, and Roqualand began to create more shorts that involved the characters, which soon evolved there all of their original intentions and their obvious origin within the movie of which he was selected . [26] [27] later, Harmon would create and produce community, a comedy of NBC situation, while Roqualand would work mainly in voice performance for Disney's Fish Hooks and Cartoon Network's Adventure Time. In 2012, Harmon was briefly fired from the community. Adult Swim, who was looking for a program of "A © xito" more during stellar schedule, [28] little after he approached Harmon, who initially saw the channel as not suitable for his style. He was also not familiar with the animation, and his process to create television was more focused on the dialogue, the characters and the story, [27] On the other hand, he called Rogualand to ask if he had any idea for an animated series, Rogualand immediately raised the idea of using the characters of Doc and Mharti, Rick and Morty, [26] Initially, Roiland wanted the program's running time to consist of an eleven-minute segment, but adult swimming pusheda half-hour program.[28] Harmon felt the best way to extend the voices to a program would be to build a family around the characters, while Adult Development Executive Swim Nick Weidenfeld suggested that Rick be Morty's grandfather. Having released multiple television programs that did not get off the ground, Roiland was initially very unreceptive to others who were trying to give notes in his field. [26] Before developing Rick and Morty, he had created three failed animated drivers for Fox, and had begun to feel "burned" with the development of television. [27] The first draft was completed in six hours at the Paramount Pictures lot in the unfurled community office of Dan Harmon. [29] The duo had broken the story that day, sold the pilot, and then sat down to write. [27][30] Roiland, acknowledging a procrastination trend, encouraged Harmon to remain and write the first full draft. [29] "We were sitting on the floor, full of laptops and was about to get up and go home and said, 'Wait, if you go home, it could take us three months to write this thing. Stay here right now and we can write it in six hours. He just had a premonition about it," Harmon recalled.[27] Adult Swim was initially insecure of Roiland making both voices, due in part to the undeveloped nature of Morty's character. Harmon wrote four short locations where Morty took a more assertive role and sent it to Mike Lazzo. [29] Adult Swim placed a tamer TV-14 rating on the program, which initially met with reluctance of the show staff. The reason for the network behind the rating was that it would soon begin broadcasting at the first time, competing with the main programs. [27] The theme of Rick and Morty by Ryan Elder was originally used in a rejected Cartoons Network pilotcalled "dog world," which was referred to in the "lawnmower Dog" episode.[31] writing harmon has observed that the writer's room in the show studio sal odaralced and nalioR [92] .erdaP le noc n³Ãicaipxe al ed ragul ne ,asoiD al noc n³Ãinuer al ed s©Ãupsed :htemonoM led sapate sal ne a±Ãartxe n³Ãicacibu anu ne otca le acoloc sotca sod ed arutcurtse uS .eor Ah led ejaiv le o llebpmaC hpesoJ ed oimonom le ne adidem narg ne adasab nomraH ed n³Aicaerc anu ,airotsih al ed olucrÃc nu ed osu le noc sodarutcurtse n¡Atse soidosipe sohcuM]43[]33[.etnemlaicini aÃdneterp es omoc ,41 ed ragul ne soidosipe 01 olos ne ³Aitsisnoc amargorp led adaropmet arecret al lauc al rop n³Ãzar al euf atse ,etrap royam us nE .arutircse ed oiraroh le ne sosarter rasuac y laicidujrep res edeup secev a omsinoiccefrep us euq oditimda ah nomraH]42[.serodaercoc sol ed areiuqlauc rop zev amitlºÃ rop odaborpa se n³Ãiug led lanif rodarrob lE .s¡Ãm serodarrob soirav a etemos es oidosipe le Ãlla edsedââ y ,ameuqse le ne "esap" nu necah nomraH y dnalioR .ameuqse nu raerc arap rotircse nu angisa es "alicorisih al repmor ed s@AupseD]72[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid saL]42[.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodc@Ana neyulcni odunem a senoisucsid satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep adiv al ed satodca [.n³Aiccif aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep aicneic ed oren@Ag le erbos sotneimasnep omoc As "lanosrep aicneic ed orenœa [.n²Aiccif aicneic ed orenœa [.n²Aiccif aicneic ed orenœa [.n²Aiccif aicneic ed orenœ nanoiculove euq ,saedi etucsid y enºÃer es arutircse ed lanosrep lE]23[.acir©ÃmA ed serotircsE ed alas a±Ãeuqep anu" omoc otircseD .arutircse ed lanosrep le arutircse ed otid©Ãrc ³Ãibicer n©Ãibmat nahaMcM ekiM rotircse led etnetsisa le euq sartneim, atsocA cirE y hplodnaR edaW, yeldiR nayR, namffuaK moT, nomraH, dibicer n©Ãibmat nahaMcM ekiM rotircse led etnetsisa le euq sartneim, atsocA cirE y hplodnaR edaW, yeldiR nayR, mamffuaK moT, nomraH, dibicer n©Ãibmat nahaMcM ekiM rotircse led etnetsisa le euq sartneim, atsocA cirE y hplodnaR edaW, yeldiR nayR, mamffuaK moT, nomraH atsocA cirE y hplodnaR edaW, yeldiR nayR, mamffuaK moT, nomraH atsocA cirE y hplodnaR edaW, yeldiR nayR, mamffuaK moT, nomraH atsocA cirE y hplodnaR edaW, yeldiR nayR, mamffuaK moT, nomraH atsocA cirE y hplodnaR edaW, yeldiR nayR atsocA cirE euq 3Ãla±Ães ,sod sol rarapmoc lA]72[.dadinumoc al arap odazilitu le noc etnednerpros odicerap nU And Harmon's intentions so that the series lacks traditional continuity, opting for discontinuous stories "not obliged by the rules." [36] In the production of the first season of the series, the episodes were occasionally written out of service. For example, "Rick Potion #9" was the second episode written for the series, but received instructions to be animated as the fifth, since it would make sense within the continuity of the series. [24] Animation and voice recording The animation for the program is done using Toon Boom Harmony, postproduct work is done in Adobe AFter Effects, and the background art is done in Adobe Photoshop. [37] Animation production is managed by Bardel Entertainment in Vancouver, Canadã. [38] Roiland's cartoon style is very indebted to the Simpsons, a factor he recognized in a 2013 interview, while comparing his style with that of Pendleton Ward (adventure time) and J. G. Quintel (specta Regular ass): "It will notice that the mouths are a kind of similar and the teeth are similar, but I think that is also something stylistic that ... we are all inspired by the Simpson and all of these other spectacles are touching subconsciously "[32] the Ren & Stimpy spectal "That the characters occasionally do is a reference to a similar expression that Ren frequently does. [39] Speaking about the style guide that the characters are often attracted to extreme consists of the juxtaposition of two conflicting scenarios: an extremely egoasta alcoholic The co-creator Dan Harmon has described the series as a cross between the two spectacles of Matt Groening the Simpsons and Futurama, balancing family life with the science fictional fiction. [32] The series is inspired by British -style narration, in opposition to traditional American family television stories. [24] Harmon has declared that his inspiration from much of the concept and humor of the series comes from several British television series, such as Hitchhiker guide for the Galaxy and Doctor Who. He believes that the public will understand the developments from the point of view of Morty, but said "we do not want That is really interesting." [42] From time to time, the characters will recognize the narrative of an episode or insinuation of the presence of a fourth wall, suggesting that they are aware of the fact that they are aware of the fact that they are aware of the fact that they are aware of the presence of a fourth wall, suggesting that they are aware of the fact that they are awar Morty "implies an artistic answer to the question of what follows postmodernism: a decadent regurgitation of all its tropes, at the same time, left by some humanistic force." [43] Sean Sebastian de Junkee says that the spectal can be hilarious and deeply disturbing while standing out at the "intersection between great ideas, volterism and ingenuity." [44] The Rick and Morty philosophy has been described as "an endless fart joke wrapped around a view studied in nihilism." [45] The series addresses the insignificance of human existence in comparison with the size of the universe, without recognizable divine presence, as described by the philosophy of the lovecraft cósmico. The characters of the spectanculus deal with the cystic horror and existential fear, either affirming the usefulness of science about magic or etnarongi en adiv anu However, as Joachim Heijndermans of Geeks notes, none of them appear able to handle the absurd and chaotic nature of the universe, as Jerry gets by through denial, and Rick is a "depressed, substance-addicted, suicidal mess".[47] Harmon describes Rick as a self-interested anarchist, who doesn't like being told what to do.[48] He believes that nothing matters AAAwhile accurate AAA Humanist notes that the creators of the series are trying to communicate the message that we need to focus on human relationships and not preoccupy our minds with unanswerable questions, in order to find a sense of purpose and live a better life. [50] Eric Armstrong of The New Republic notes that Morty represents the audience, as he is "mostly there to react to Rick's deranged schemes". The character is transformed by the truths he discovers during his interdimensional adventures with his grandfather. However, instead of sinking into depression, Morty accepts these truths that empower him to value his own life.[51] Nobody exists on purpose, nobody belongs anywhere, everybody's gonna die.
